2021 AEP: MARK YOUR CALENDAR!

The 2021 Annual Enrollment Period for Medicare is just around the corner. This is your prime opportunity to make plans to visit with us between the dates of October 1st - December 7th. Medicare Advantage and Prescription Drug Plans change from year to year. Some plans leave the market while new plans become available. This coming AEP we want you to know that the Janes Agency team and I will be available for face-to-face visits, telephone consultation, and online meetings. Taking care of our clients is our first priority, and being safe and comfortable as we connect will help us work together to make the best plan choices for you.

Scientists do not yet know when the Covid 19 flu shot will be available, but be sure to get your regular, yearly flu shot as soon as possible.

STEPS TAKEN TO MAKE YOUR VISIT TO OUR OFFICE SAFE

We have developed one of the most safety conscious strategies for protecting our clients and staff. We will have a plexiglass barrier separating you from receptionist. There are masks and hand sanitizer available. The biggest tool we have is a UV light system Ozone which will provide the best, continuous sanitization of all surfaces. In addition, we will make sure the office is continually cleaned, as well as temperature checking all clients.

Our Agents (L-R)
