Life and Health Insurance Advisor Fall 2021 Volume 14, Number 3

## Annuities and Retirement

There are two types of annuities: deferred and immediate. ? [Read on for details.](#)

## This Just In...

### Pandemic Scare Increases Interest in Life Insurance

Just as the COVID-19 pandemic convinced consumers they need health insurance and more generous retirement benefits, applications for life insurance recently had record-breaking growth.

[Read on for details.](#)

## How to Determine How Much You'll Need in Retirement

How much do you need to retire comfortably? [Read on for details.](#)

## Medicaid Work Requirements Slowly Being Phased Out

As the Biden Administration rescinds the Trump requirement that adults who receive Medicaid must work, several states with must-work provisions have seen their waivers withdrawn. [Read on for details.](#)

## The Financial Challenges of Being on Disability

COVID-19 symptoms sometimes last months, so it's not surprising many workers have relied on disability benefits and other programs for financial assistance. [Read on for details.](#)
