### Bio

Sandra's goal is to see a world in which people are able to confidently use their unique voice, follow their dreams, embrace and monetize their passions and find a way to understand exactly what a toddler is trying to tell you.

As a digital marketer with years of experience, Sandra has worked with 100's of small business owners, trained in high ticket consulting groups, spoken at multiple events, been featured in two documentaries, runs a top rated Podcast (Binding Authority) all while being a wife and keeping the worlds cutest three year old entertained, happy and from falling off of tall things he climbs.

Sandra is extremely passionate about helping people solve problems they are having in business. She has been described as being "a bit too much" or "a busy body" and voted "most eager to please" by her Highschool Senior Class. Sandra took these labels and turned into being famous for being a power connector and helping small business owners fix advertising and marketing issues. Known as the "Queen Of Organic Social Media Marketing" Sandra is passionate about teaching agents to build their own personal brand. She also runs a group consulting course where she focuses on coaching and helping agents build smart marketing plans!
