HAPPY FALL!!!

With the cooler temperatures and falling leaves comes Autumn. And along with Autumn, comes the Medicare Annual Enrollment period. It's hard to believe another year has sped by and it's that time again to review your coverage.

You should have already received your "Annual Notice of Change" for your Medicare Advantage plan or your Part D prescription drug plan. As usual, most plans will have experienced some sort of change. Please make sure to plan a quick call or email to review with us to make sure you have the right plan for 2022. We can compliantly begin discussing the 2022 plans on 10/01/2021 and new applications for plan changes can be submitted starting 10/15/ through 12/07/2021.

You are probably noticing an even greater number of commercials with Joe Namath, Joe Theissman, and J.J. Walker to name a few. And you are probably receiving lots of mail and even phone calls talking about all sorts of Medicare plans. PLEASE reach out to us with questions or if you have interest in learning more about any of these plans. We work with all of the big carriers and many of the smaller ones as well. We are your resource so please ask us questions.

With that being said, we look forward to doing an annual review with all of our clients. We are hoping you are well and we look forward to checking in with you. Feel free to call or email us to schedule a quick review. Enjoy this amazing fall weather and we will look forward to chatting with you soon!!

Sincerely,

Kim & Dan Sikorski
