## Blog Post: 5-Star Special Enrollment Period

Each year Medicare gives an overall performance rating to Medicare Advantage Plans and Prescription Drug Plans. To determine overall performance star ratings, Medicare uses member satisfaction surveys, plans, and health care providers. Understanding these ratings can help you compare plans based on quality and performance. A plan's star ratings can change each year.

If a 5-star plan is available in your area, you can use the 5-Star Special Enrollment Period to switch from your current plan to a 5-star plan. This special enrollment period is available between December 8<sup>th</sup> – November 30<sup>th</sup> and can only be used once during the year.

To find out if a 5-star plan is available in your area, please contact us directly:
