

# THE DIFFERENCE WITH LIFERAFT

Even the best insurance doesn't cover everything. Our affordable products protect you from unexpected, out-of-pocket healthcare costs.

## LIFERAFT PRODUCT SUITE

### Hospital Indemnity

Pays cash benefits for hospital or ICU stays due to a covered accident or sickness. Plans start at \$5.

### Critical Illness

Pays cash benefits for medical expenses due to a critical illness event. Plans start at \$5.

### Accident Medical Expense

Offers cash reimbursements for covered medical expenses or losses due to an accident. Plans start at \$6.

### Health Savings Accounts

Tax-exempt accounts to pay for qualified health, medical, prescription, vision, or dental expenses.

I know I'll get medical bills even though I have health insurance. Knowing my Liferaft policy pays cash benefits means I have less to worry about.
