TV Commercials, Toll Free #'s and Mail: OH MY!!

The Medicare “Annual Enrollment Period” for 2022 is over! Just when you thought the TV commercials, phone calls and overloaded mailboxes were done, Guess Again!

Now we are about to enter the Medicare “Open Enrollment Period” which used to be known as the “Disenrollment Period”. This takes place January 1st thru March 31st and may bring on more of the same. All of these different media outreach sources can be very overwhelming and confusing!

If you have **ANY** questions at all, **CALL ME**, not the folks on TV!

Wouldn't you rather talk to someone you know and trust?

Exercise, WHO ME?

Exercise can help to improve all aspects of a senior's life, including cognitive functioning, physical strength and social interaction. Exercising can help prevent serious physical and emotional problems, such as depression, chronic conditions, and memory decline. Grab a friend and go for a walk!!

Thank You Veterans

As a fellow Air Force Veteran , I want to thank those of you who served and family members of those who served. I would love to share with you an amazing memorial right here in our backyard. The USS Arizona Memorial Gardens at Salt River is a beautiful , incredibly well designed WWII memorial that I highly recommend anyone to visit.

This amazing piece of history is located at 7455 N Pima Road, Scottsdale AZ 85258. It is free and open to the public from dawn to dusk. Feel free to Google it or visit the website www.DiscoverSaltRiver.com.
