Putting people back into the people business

## Tim Bastron

I was born in Denver, Colorado (Go Broncos). A majority of my childhood I grew up in Cedar Falls, Iowa where I graduated from high school and went on to play football at Drake University. I love sports, reading, fashion, music, hanging with friends and eating chicken wings.

Oh, and I love coffee. Maybe a little too much.

Currently my family and I reside in St. Michael, MN.

I have been married to my beautiful wife Brittany for 20 years and we have 6 amazing children. Five of them are biological and we adopted our last daughter a few years ago. I am a blessed man for sure.

I have been a pastor for 26 plus years. I started my career in ministry as a junior and senior high youth pastor and later transitioned to the college & young adult pastor role. I served as a worship pastor for the majority of my ministry career, and over the last four years I have had the amazing privilege of being a care and outreach pastor.

As an insurance broker for American Senior Benefits, I am able to continue using my gifts that I have used in ministry over the last two plus decades. I have the amazing honor of daily listening to the stories of others, hearing their hearts, their desires, their fears, their goals, and in return providing care to help them achieve those certain needs and wants. I am licensed in health insurance including Medicare, Life insurance, Final Expense planning, Long-term care, and Annuities.

I would love the opportunity to come along side you and use my gifts and expertise to serve and help you accomplish your goals.
