<sup>1</sup> Income limits are based on the 2024 Federal Poverty Level (FPL). Limits are higher for each additional relative living with you for whom you are responsible. Income and asset limits on this chart are rounded to the nearest whole dollar. There is a \$20 income disregard (factored into the income limits above) that the Social Security Administration automatically subtracts from your monthly unearned income.

<sup>2</sup> Asset limits include \$1,500 per person for burial expenses.

<sup>3</sup> You pay no premium if you have a basic Part D drug plan with a premium at or below the Extra Help premium limit for your area.

<sup>4</sup> You pay \$0 copays if you are institutionalized or receive home and community-based services.
